

## FREE 8-Hour IA Renewal Seminar

Please join us for a full day of valuable maintenance seminars for Inspection Authorization holders as well as A&P mechanics. Presentations from aviation industry professionals and local FAA Inspectors will cover a wide range of maintenance and airworthiness topics. This seminar satisfies the requirements of FAR § 65.93(a)(4) for the period of April 1, 2016 through March 31, 2017. Registration begins at 0700. Seminars begin at 0730.

**Directions:** Moody Aviation is located approximately 1/4 mile east of the Felts Field control tower. Registration opens at 0700.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
