

UAS Safety and Awareness

The FAA is committed to the safe and efficient integration of UAS into the National Airspace System. We will discuss local UAS safety concerns, UAS regulatory requirements, review local airspace, discuss the Low Altitude Authorization Notification Capability (LAANC) with Air Traffic Control, and share best practices with UAS operators.

Directions: Public Parking on the North side. Building will be open for event, classrooms A & B.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
