

Owner Operator Aircraft Maintenance - Can I Fix This Myself?

Discussion of permitted maintenance and repairs that can be performed by a licensed pilot who owns his or her own certified aircraft. The holder of a pilot certificate may perform specified preventive maintenance on any aircraft owned or operated by that pilot. This seminar will provide information on owner performed authorized preventive maintenance.

Directions: Seminar will be held in the Benton-Franklin Room at the Red Lion Hanford House Hotel. If flying in, please call Marjy at 509-302-9624 for a ride to the hotel.
