

SPOKANE FSDO presents:

Aeromedical Challenges and Options You Have

Prior to attending this event please review and abide by current CDC, State and Local Health Guidelines. In person seating limited to 50. Join us in person at Darcy's or on Zoom, Wednesday, October 20th at 7:00pm for an in-depth discussion from industry expert, Dave Hale on Aeromedical Challenges and the Options we have as pilots. Social hours begins at 6PM at Darcy's.

David Hale is the Executive Director of Pilot Medical Solutions, Inc. where he directs domestic and international services and guides physicians, attorneys, underwriters, corporations, pilots, air traffic controllers, air marshals and civilian space candidates. David has more than twenty-five years of experience in aviation and aerospace medicine. He is an exercise physiologist, commercial pilot and licensed skydiver. David Hale received his undergraduate degree at the University of Oklahoma and completed postgraduate studies and certification with the American College of Sports Medicine. He concluded his internship with Carolina's Medical Center in Charlotte North Carolina. He served as an exercise physiologist in the cardiology department at Cedars Sinai Medical Center and served as a registered physical testing and
