

## 2022 Big Bend Community College Aviation Safety Day

Understanding aircraft performance + thorough preflight are key to managing an emergency! This discussions with cover basic aircraft performance and factors that effect desired outcomes; along with how to prepare for and handle emergency situations. This is the first of three safety seminars offered. 10:00am to 11:30am

**Directions:** Follow College Parkway to the Aviation Department, Building #3000.
