

FAASTeam presents:

# Lewiston Airport (LWS) - Local Runway Safety Team Meeting

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations, pilots and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us. Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

We are also providing a Virtual Option via Zoom Meeting Format.
