

Seaplane Safety Seminar Fly Right - Having Fun While Flying Safely

Seaplane activity on the lakes and rivers in Washington and Idaho increases each year as our area becomes more popular for flying visitors and new pilots moving to the area. Before we start the flying season we want to take some time to discuss best practices and share our experiences and concerns.

PRIOR TO ATTENDING THIS EVENT PLEASE REVIEW AND ABIDE BY CURRENT CDC, STATE AND LOCAL HEALTH GUIDELINES.

Directions: Seaplanes fly in to TangleFoot Seaplane Base (D28). Wheel planes fly in to Cavanaugh Bay (66S) - short walk over to TangleFoot. For further information contact our host Amy Fenwick at amykfenwick@gmail.com
