

Mountain Flying Idaho and Washington

Join us at Darcy's and learn ways to enhance your skills to safely fly and navigate mountainous terrain.

Our speaker, Courtney Zehr brings years of experience flying in some of the most challenging places on the planet. Courtney has been a flight instructor since 1996 and most recently served 11 years as a missionary pilot flying the mountainous jungle terrain of Indonesia. His presentation, aided by actual flight videos shows the challenges he experienced and how it relates to how we plan for and accept the challenges of mountain flying in our region.

Join us at Darcy's. Social hour begins at 6PM at Darcy's and the program begins at 7PM.
