

Walla Walla Regional Airport (ALW) Local Runway Safety Team Meeting

The purpose of this Runway Safety Action Team meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations, pilots and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us.

The meeting is at the Walla Walla Regional Passenger Terminal Building - Conference Room
