

Spokane (GEG/SFF) - Local Runway Safety Team Meeting (Hybrid)

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations, pilots and maintenance personnel. Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan.

Spokane ATCT Conference Room (113)

I-90 exit at Grove Ave and proceed North. Left on S. Geiger Blvd. Right on W. Electric Road. Approximately 1/2 mile ahead on the right side.
