

Yakima WA - Pilot Controller Forum

The purpose of this meeting is to unite those individuals and organizations that are actively involved in air traffic operations and the movement of aircraft, vehicles and equipment at the Yakima WA Airport.

The event is an open discussion for all pilots who utilize the Yakima, WA Airport. Discussion points will include airport ground movement, runway incursion avoidance, local traffic patterns, restricted area awareness, and ATC procedures. Please join us for an opportunity to interact with your local Air Traffic Controllers.
