

## Tips From The Pros

This month's guest speakers are, Bill Ball a DPE in Orlando who also works for Simcom Training Center. Mr. Ball is well versed in many field of aviation and will welcome your questions. This is a must for students as Bill will discuss how to take the fear out of a check ride and to pass it by proper preparation.

A husband and wife team, Brad and Terri Erickson, who are controllers from the Leesburg tower will offer suggestions on how to make friends with your local controller. They will accept your questions regarding ATC operations in our area

**Directions:** The Leesburg Airport Administration building is across the street from Sunair Aviation.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
