

## Back To Basics.....'It Could Save Your Life.'

This month's guest speakers are, A Husband and Wife team with years of aerobatic experience both in teaching and air show performance.

Kathy Hirtz is a physician who has a passion and a natural ability for the art of aerobatic flying. Steve Wolf, An airshow performer for 27 years and a designer / builder of aerobatic airplanes started flying at age 14 and became a CFI at the age of 18.

**Directions:** The Leesburg Airport Administration building is across the street from Sunair Aviation.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
