

## What Went Wrong?

Sometimes the cause of an aircraft accident is obvious. Other times, it takes everything from CSI-style forensics to old-fashioned sleuthing to figure out where things went awry. This seminar looks at general aviation accidents through the eyes of the investigator-starting at the scene working backward to reconnect the shattered links of the accident chain.

**Directions:** Held during AOPA Summit in Palm Springs, CA.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
