

N/A presents:

Cirrus Pilot Proficiency Program (CPPP) at Evansville Airport

October 25 - 27, 2013

Cirrus Pilot Proficiency Program
(CPPP) weekend events present up to 15 hours of ground instruction and 6 hours of flight instruction. Ground courses include selection of weather basics, pre-flight weather, in-flight weather, avionics, engine management, risk management and single-pilot resource management, maintenance familiarization, CAPS decision making. Flight sessions involve highly experienced Platinum CSIP instructors. Friday welcome reception introduces flight participants to their instructors. Saturday ground session begins with everyone attending a safety and Cirrus procedures session, then split into flight groups and ground sessions for Saturday afternoon, Sunday morning and Sunday afternoon. Dinner provided Saturday evening. Departure at 3pm Sunday afternoon. Right-seat partners may attend a no-cost Partner in Command course Saturday morning. More information at <https://www.regonline.com/builder/site/tab1.aspx?EventID=1180475>

Directions: Parking at Tri-State Aero. Ground sessions to be held at Hampton Inn, KEVV

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
