

AOPA Fly-In - Frederick, MD

Join AOPA Senior Safety Advisor Bruce Landsberg in an interactive discussion regarding loss of control. It's a leading cause of fatal accidents and strikes when least expected. Prizes will be awarded for best participation.

Directions: Loss of Control

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
