

## Trivia Night!

Sure, you know lots of important stuff about flying...but how sharp are your trivia skills? Join us for our latest seminar and find out! We'll test your knowledge of the arcane while also exploring the safety issues behind the trivia. For example, do you know:

- How long Lindbergh went without sleep during his transatlantic flight?
- How many drinks it takes to degrade performance as much as a poor night's sleep?
- What piece of equipment "caused" Eastern Air Lines Flight 401 to crash?

From vintage nav aids to aerodynamics and little-known aircraft, we've put together a collection of questions sure to put your knowledge to the test—and make you a safer pilot.

**Directions:** There is no pre-registration for this seminar.
