

## EAA Pilot Proficiency Seminars held during EAA AirVenture

Processing information and making clear decisions while flying in IMC can be challenging. In this seminar we'll analyze accident scenarios where stress and confusion in IMC can lead to task saturation, problematic choices, and suboptimal decisions.

**Directions:** Begin Your Day at the Proficiency Cafe.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
