

Safety Seminar at AOPA Fly In

Free Safety Seminar. There is NO pre-registration for this seminar. Processing information and making clear decisions while flying in IMC can be challenging. In this seminar we'll analyze accident scenarios where stress and confusion in IMC can lead to task saturation, problematic choices, and suboptimal decisions.

Directions: Look for the AOPA tent.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
