

## Safety Seminar at AOPA Fly-In

Free Safety Seminar. There is NO pre-registration for this seminar.

Takeoff is often the place where problems are confusing and difficult to analyze, and reaction time is short. In this seminar we'll analyze takeoff accident scenarios and the limited information they offer while deciding a safe course of action.

**Directions:** Look for the AOPA tent.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
