

Top Pilot Tips Powerful Pointers from Across General Aviation

Have you ever flown with an experienced pilot that offered a tip that made an immediate impact on you, stuck with you, and has made you a better pilot: Join ASI Executive Director Richard McSpadden for an engaging review of insightful flight tips we gathered from the GA community, and make sure you bring your own to add to the discussion.

Directions: This event will be held in the EAA Pilot Proficiency Center during EAA AirVenture.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
