

Mastering Takeoffs and Landings

Every year takeoffs and landings account for more than half of all pilot-related accidents, and it's not just the new pilots who are having trouble. This ASI seminar will give you tips and techniques for the making smooth, trouble-free departures and arrivals.

Directions: Seminar is held in the AOPA Program Pavilion.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
