

## Airworthiness Records - A Guide for Owners and Pilots Part 2

In this 4-part webinar, you will learn how to reduce operating and maintaining costs; increase the attractiveness, total value, and selling price of your aircraft; address potential FAA airworthiness and or aircraft records inquiries; and minimize potential losses after an aircraft accident or incident.

In Part 2 we'll discuss Renter (borrower) responsibilities and delve into Type Certificate Data Sheets (TCDS).

**Directions:** To register for this 4-part webinar series click here.

After registering you'll receive an email from AOPA Webinars with information on how to join the webinar.
