

How to Safely Navigate In and Around the Isla Grande Airport

You are invited to participate in making YOUR airport a better and safer place to operate. Discussions will include: operations, moving on the taxiways and runways, direct pilot notification technologies, current trends in surface incidents, and communications with Air Traffic Control (ATC).

Directions: Proceed to the Fernando L. Ribas Dominicci Airport at Isla Grande, PR. Take the main road toward the PR Ports Authority passenger terminal. Continue past the terminal and the ATC control tower to the Interamerican Aeronautical Building, Room 206. Please consult "Preview Map" link below.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
