

Let's Review 'Rules of the Road' Around CHS!

You are invited to participate in making YOUR airport a better and safer place to operate. Discussions will include: operations, moving on the taxiways and runways, direct pilot notification technologies, current trends in surface incidents, and communications with Air Traffic Control (ATC).

Directions: At Charleston International Airport, turn off of S. Aviation Road, just beyond the FAA Control Tower, onto Fighter Drive.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
