

Tyndall AFB Mid Air Collision Avoidance / Pilot Deviations presentation & EAA Young Eagle Day

Mid Air Collision Avoidance (MACA) Pilot Deviation presentation & EAA Young Eagles Day

Tyndall AFB MACA program will improve awareness of military operations. Pancakes before the presentation, hot dogs & hamburgers after

Directions: On HWY 98 about 3 miles West of Apalachicola, FL, turn North on Airport Road and follow it (approximately 4 blocks) to the airport. Presentation will be in the large hangar

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
