

Positive Aircraft Control and Following the Rules

We'll discuss contributing factors and focus on associated issues related to aircraft loss of control. Additionally, we'll look into FAA rules, discuss their origin, and assess instances where failure-to-follow got airmen into trouble.

Directions: Driving: From Huntsville, take Highway 72 east to Moontown Road. Right on Moontown and right on Airport Rd. Please consult Map Link below. Flying in: Please check local NOTAMS prior to arrival.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
