

FAASTeam presents:

## CFI Open Forum

If you are a current CFI or working toward that certification, please don't miss this one!

The first portion is an open discussion of unexpected in-flight events, the startle response, reaction, threat and error management, and how we train our students for this. Our discussions will continue with designated pilot examiners to assess check ride expectations and explore focus areas and weaknesses.

**Directions:** Meeting will be in Signature Flight Support's large hangar, north end of facility. If driving, follow signs to general aviation. Parking is adjacent to the hangar and/or in the Signature's main lot. If flying, park at Signature and inform them you are attending the safety seminar.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
