

Moontown Airport (3M5) Annual Grass Field Fly-In

Harold McMurrin will give a seminar on "Owner Maintenance". The forum will highlight what owners/operators are allowed to do, what is required to document the maintenance, and common misconceptions.

Directions: Take I-565/US72 East from Huntsville for approximately 8 miles.

Turn right onto Moontown Rd (Moontown Fly-In sign will be just before the intersection on the south side of the HWY).

Proceed past the airport and turn onto airport drive (be aware of low flying aircraft landing RWY27) Follow directors for parking.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
