

## Human Factors and the accident chain

Mike Elliott, MCFI and LTC Thomas McDermott will present how human factors and the accident chain evolves. An analytical discussion of accident data will be presented showing cause and effect.

**Directions:** located across the street from Legacy condominiums within walking distance to Origin

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
