

Mobile Area Pilot/Controller Forum

Do you have a question for ATC? Would you like to meet the voices you hear on your radio? Experienced controllers will be here to help pilots understand what ATC needs to provide you with the best possible service, and to answer any questions you may have. Local flight instructors will be on hand to facilitate discussions and answer questions.

<https://nfdc.faa.gov/xwiki/bin/view/NFDC/Construction+Notices>

Directions: Interstate 10 exit 23 (Michigan Ave), south on Michigan Ave, first left turn is Broad Street, Bldg #11 is the Mobile Airport Authority offices, about a half mile down Broad St on the left. Corner of 9th and Broad. If you are flying in, you may wish to download a construction diagram at <https://nfdc.faa.gov/xwiki/bin/view/NFDC/Construction+Notices>. Park at the main ramp, Signature Flight Support will waive the ramp fee for attendees.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
