

Alabama Northwest Florida Flight Standards District Office presents:

Marvel of Flight Defuniak Springs 2017 Patty Wagstaff - Loss of Control

FAA Team Representatives Chuck Ebbecke and Bill Castlen will present an important program concerning aircraft "Loss of Control" accidents. The program is designed to help you understand some of the causes associated with aircraft loss of control accidents and offer pilot mitigation strategies to ensure your safe aircraft operations. Following the seminar Patty Wagstaff will make a personal appearance. Starting at 12:45, a second seminar will be presented to attendees with information concerning the new FAA Medical Certification Rule followed by a brief review of topics important to aircraft owners/operators and aircraft maintenance technicians.

Directions: From I-10: Take exit 85, then turn North on Hwy 331. Turn left on Hwy 90. Turn left again on Gene Hurley Rd. From Hwy 285: Turn Right on Hwy 90. Then right on Gene Hurley Rd. Follow signs to the Marvel of Flight event. FAA Seminars will be held in hangar 623.

A message from the National FAA Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAA Team) is committed to providing equal access to this meeting/event for all participants.
