

## Prattville FAA General Aviation Safety Seminar

The FAA Safety Team will provide safety and regulatory information concerning the new alternative pilot physical examination and education requirements referred to as BasicMed. The second part of the program will focus on what information the aircraft owner and operator should consider when determining the airworthiness of their aircraft.

**Directions:** Seminar will be held in the Prattville Aviation FBO building.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
