

Ask an Examiner (DPE)

Are you about to take a checkride? Private, Instrument, or above? Do you know what the examiner is looking for? Would you like to hear what an examiner is looking for? Max Gurgew is a Designated Pilot Examiner in Huntsville, Alabama and is willing to talk to pilots/student pilots about what he would like to see when someone comes in for a checkride. This seminar will put student pilots and any other pilot getting ready for a check ride at easy. He will cover what he hopes to see from a pilot coming in for a practical test along with a Q&A section in this hour and an half seminar.

Directions: Executive Flight Center Classroom

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
