

2019 City of Albertville Inspection Authorization Renewal Seminar

The 2019 City of Albertville Inspection Authorization seminar provides important aviation safety information for aviation maintenance technicians, inspection authorization holders, aircraft owners and operators. Topics will include general aviation inspection requirements, FAA regulatory updates, ADS-B equipment installation requirements and aircraft component maintenance.

Directions: Venue has been changed to the Robert Aderholt Health Science Building located on the campus of Snead State Community College.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
