

Does that mean I fail my checkride?

Join us for a humorous and educational look at some of the things that make pilot applicants look at the examiner and say, "does that mean i fail?" CFI's can't possibly cover everything before an applicant is recommended for their pilot exam. Inevitably, there are things that come up during the ground and flight portions of an exam that the applicant has not yet been introduced or trained. Sometimes, it is a problem and sometimes it's not. We will discuss what went wrong and what could have been done differently.

Fly-In: Park at Sheltair, walk through the lobby and out the door. Patriot Pilot Academy is the largest building on the left. Follow the signs.

Drive In: Park in parking lot and come into the Patriot Pilot Academy building.

A message from the National FAASTeam Manager
