

BFC Safety Seminar

Flying is full of split-second choices that can shape the outcome of a flight. This scenario-based seminar will put you in the pilot's seat to work through real-world situations and sharpen your risk management skills in real time. Join us as we explore how practical decision-making and good judgment can turn high-pressure moments into safe outcomes.

Drive-in: Birmingham Flight Center is located at 4255 East Lake Blvd. We currently share a parking lot with Southern Sky Aviation. We are the last door towards the flight line.

Fly-in: Birmingham Flight Center is located on the east side of hangar 35 on the Atlantic aviation ramp. We are the door by the parking lot.

Seminar will begin at 6:00 pm and consist of 2 (two) 50-minute presentations concluding by 8:00 pm.

A message from the National FAASTeam Manager
