**Representative ADAM RAY
KELLUM n/a**

Back in the Left Seat:

Life gets busy. Flying takes a back seat. Before long, months or even years have passed since your last takeoff. “Back in the Left Seat” is built for pilots who are ready to return to the cockpit and want to do it the right way.

This seminar reviews key regulations, airspace updates, weather decision-making, and common procedural changes that often catch returning pilots off guard. We will also discuss proficiency expectations, risk management, and how to build a practical plan to regain confidence.

Come rebuild your foundation, sharpen your judgment, and walk away with a clear path to flying safely and confidently again. If you're still current, come work on your proficiency with us.

We'll see you there!

Drive-in: Million Air Birmingham is located at 4725 65th Pl N. Walk in the lobby and we'll escort you to the meeting room in Hangar 14

Fly-in: Million Air Birmingham is located on the East Ramp. We will meet in Hangar 14.
