

## An Introduction to ADS-B Technology

[Submitted for record keeping purposes only.  
Event occurred August 15th, 2013.]

Come and learn with others how this sweeping technology can help us in the GA community. Local EAA members (only) are strongly encouraged to attend. Don't miss this special event!!

**Directions:** We'll meet in the Eagles of America FBO building. You'll see it as you taxi to the ramp via taxiway Charlie. Note the new terminal (not yet open) to your right and the FBO to the left (north). Can't miss the general aviation ramp.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
