These free-of-charge seminars, sponsored by AWAM (Association for Women in Aviation Maintenance) for the Women in Aviation, International Conference, meet the 8 hours of FAA regulation and policy requirements for IA renewal, the Aviation Maintenance Technician (AMT) Awards Program and Wings credit. Seminars focus on various aspects of commercial, corporate and general aviation relevant in today's world of aviation technology and flight. They reinforce the Administrator's goals to achieve the lowest possible accident rate and constantly improve expertise and safety for all Airmen.

\* AWAM 2016 course completion certificate (1 or more hours of training) or Recurrent Training Attendance Badge is accepted for WAI Exhibit Hall entrance for Thursday (March 10th) afternoon only.
