

[2016 BFA Seminar Webinar Registration](#)

The 2016 BFA Online Continuing Education Seminar Webinar will be presented live from the Northeast Ohio Balloon Pilots Association (NOBPA)'s continuing education (Balloonknowledge 2016) seminar in Canton, Ohio on March 12, 2016. The seminar will start at 9:30am EST (8:30am CST, 7:30am MST, 6:30am PST).

The BFA Seminar Webinar is designed for those balloonists that can't get to a face-to-face seminar, but still want to maintain their education, especially regarding flying safely. The user will need a computer and a stable Internet connection to access the site.

To attend "on-line", you will need to register in advance of the session. Once payment is received, you will receive a registration number by email that will be used on the day of the event to check-in. Shortly before the event, you will be provided information on how to access the site where the Seminar Webinar will be hosted. After the Seminar Webinar has completed, you will need to complete a short, on-line test to verify your attendance.

The Seminar Webinar is fully sanctioned by the BFA and should qualify for most insurance company discounts.

Once again we are including a BFA Digital membership for folks who register for the seminar that are not already BFA members. You can add the home delivered magazine for just a bit more by contacting the BFA office. Visit the [BFA SITE](#) for more details about membership.
