

Loss of Control Series - Angle of Attack

In aviation, as with life, there are limits. We must remain observant to the boundaries of safety. Today's discussion focuses on Angle of Attack, how to recognize what your aircraft's AOA is, and how to improve your awareness of it.

In the FBO Conference Room. After entering the FBO main entrance doors, take the hallway to the left. Conference room is first door on the left.

A message from the National FAASTeam Manager
