

Pilot/Controller Forum (PCF)

This is an open forum between PDK Tower Operators, Pilots and the FAA's Atlanta FSDO FAASTeam Mgr. With runway incursions on the rise around the nation, PDK ATC wants to hear from the pilots who fly into and out of their airport. When working together, we can make our airport the safest it can be.

The Rheem Hangar at DeKalb-Peachtree Airport (PDK) is off the West Ramp and behind Flex Jet.
