

iPads in the Cockpit - Modern Flight Planning

Join Adam Lockamy for Modern Flight Planning with iPad. This informative safety seminar will go through different applications, plus hardware and software now available on the iPad. With a focus on ForeFlight, Adam will present many tips and tricks and explain the exciting features available to airmen on every flight. He will also be available from 11:30 AM - 12:00 PM to answer questions.

Directions: Drive In: Park in parking lot. Take stairs to top floor meeting (tower) room. Fly In: Park in front of building, take stairs to top floor meeting (tower) room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
