

Modern GA Avionics

Join Mr. William Bowen for an in-depth discussion on the current state of advanced avionics in today's general aviation aircraft. This seminar will focus on pilots transitioning from a steam gauge/six pack cluster environment to a pure digital presentation. We will also discuss the development of a suitable training program and questions to ask when selecting a flight instructor."

Directions: DRIVE IN:Park in the Airport Parking Lot & use the door labeled Jet Center Conference Room. FLY IN:Park on the Tower Ramp & enter main terminal building. Follow the signs to the Jet Center Conference Room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
