

ABC's of SMS - A Primer on Safety Mgt. Systems

This course is a great starting point for all operators wishing to understand the basics of SMS. The material is applicable to flight departments, airports, MRO's, flight schools, charter operators, and more. SMS will soon become a regulation for literally all aviation operators. Why not get started now?

Directions: Course will be conducted in the conference room at Myrtle Beach Aviation Conference Room. Please consult Map link below.
