

iPad and ADS-B for General Aviation

If you want to get more out of your avionics, including iPad, this is a chance to better understand the capabilities of this FREE service, including in-cockpit weather and traffic. ATP, CFII and FAASTeam Rep Adam Lockamy will also answer common questions about ADS-B. Questions such as: "What is ADS-B? What can it do for me as a pilot?" Don't miss this one! This seminar is for YOU!!!

Directions: Drive In: Park in main terminal parking lot. Fly In: Park as directed by line crew or on East side of terminal in tie-downs. Event will be held in Conference Room on 1st Floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
