

Introduction to Soaring

If you have ever wanted to know more about soaring, this seminar is for you. Mr. Scott Thomason will tell you what soaring is all about, how it is safely done and how you can get involved. He'll also share some personal experience stories of soaring/gliding.

Directions: FLY IN / DRIVE IN: Please consult Map Link below. Expect to park in designated parking area and take shuttle to hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
