

iPads in the Cockpit - An Asset for Your Trip!

Bring your iPad and your questions! This interactive learning session will go through the basic and advanced functions of the iPad and discuss the advantages of the iPad for SRM (Single-Pilot Resource Management). We will discuss the latest applications and hardware that are available to you, in the cockpit, on every flight!

Directions: Drive In: Park in main parking lot and take bus or walk to main hangar. Fly In: Park and take bus to main hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
