

Glider Training and Risk Management

This is the opening Seminar of the Soaring Society of America national convention which runs through Saturday, February 20, 2016. Area pilots are invited to learn about gliders, sailplanes and motorgliders with emphasis on "Scenario Based Training" (SBT) and Risk Management

Directions: Anderson Ballroom

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
